

CITY OF CONCORD (NH)
invites applications for the position of:

Fire Dispatcher - Immediate Vacancy

SALARY: \$20.12 - \$20.12 Hourly
OPENING DATE: 07/29/22
CLOSING DATE: Continuous
DESCRIPTION:

DEPARTMENT: Concord Fire Department

TYPICAL WORK SHIFT/SCHEDULE: 24 Hour Rotating Shifts

STARTING SALARY: \$20.12 with comprehensive benefits package.

Open until filled. No specific date for first review. Ongoing review of qualified candidates.

SPECIAL INSTRUCTIONS:

A City Application is required. Applications may be completed online at www.concordnh.gov. For more information on applications, please call the Human Resources Department at (603) 225-8535 (voice) or TTY at 800-735-2964 or 7-1-1. **No e-mails or faxes will be accepted.**

A thorough background check will be completed prior to hiring. For more information contact Fire administration at (603) 225-8650.

Job Summary:

Receives and dispatches emergency and routine calls for the City Fire Department in order to protect life and property of the citizens of the City of Concord and Capital Area Fire Mutual Aid communities. Answers calls in a timely, professional, and appropriate manner. Provides calm, efficient and courteous processing of requests for assistance or information received through multiple communications media. Analyzes reports of incidents or requests for assistance; determines and dispatches the appropriate resources to effectively deal with the incident; handles multiple, simultaneous incidents which may vary in nature and severity; establishes order and control of the various communication systems; confirms locations of incidents and amends incorrect information as necessary; verifies whether request for assistance is from incident location or is reported from a remote location.

EXAMPLES OF DUTIES:

Receives and prioritizes all incoming requests within the Capital Area for Emergency Services; provides mutual aid responses outside the Capital Area; receives and processes emergency calls; obtains and compiles information required to determine safe and appropriate apparatus response.

Determines location, response apparatus, radio signal, and transmitting tower required to signal appropriate agencies; dispatches units; maintains radio communications; documents response times and narrative content; provides information relative to special hazards, additional response apparatus, and alarm levels; transmits emergency signals; monitors Firefighter Emergency Traffic Alerts.

Monitors, receives, decodes, and transmits and dispatches Fire Alarm Activations transmitted via Master Box Alarm and Digitizer Alarms.

Monitors in-house systems; ensures proper working order to maintain operation and safety of facilities.

Operates as the primary Statewide Control Dispatcher for the New Hampshire Fire Mobilization Plan; fulfills task force and strike team mutual aid requests.

Receives traffic signal complaints and malfunction advisories; determines appropriate agencies and makes notifications.

Serves as secondary dispatcher for Lakes Region, parts of Southwest Mutual Aid, Hillsboro, and Weare Dispatches; receives overflow calls for these agencies.

Assists in training new Fire Dispatchers under the guidance of the Dispatch Supervisor.

Monitors security systems and equipment for the Fire Headquarters complex.

Analyzes reports of incidents or requests for assistance; determines and dispatches the appropriate resources to effectively deal with the incident; handles multiple simultaneous incidents which may vary in nature and severity and establishes order and control of the various communication systems.

Serves as part of the New Hampshire Tactical Interoperability Communications Plan (TICP).

Performs other related duties as required

TYPICAL QUALIFICATIONS:

High School Diploma or its recognized equivalent supplemented by class work in personal computers, electricity and electronics.

OR

Any combination of education, training and experience which provides the knowledge, skills and abilities required for the job.

Ability to work a 24 hour rotating shift.

Licenses and Certifications:

Ability to obtain APCO Certified Dispatcher.

SUPPLEMENTAL INFORMATION:

Knowledge of:

Fire apparatus, equipment, emergency classifications, and response strategies and tactics.

Fire alarm systems, including transmissions, fire alarm circuits, troubles, and system malfunctions.

Radio systems, operations, towers, and system failures.

Computer aided dispatch systems and reports.

Multi-line and multi-function phone systems.

TTY Telecommunications devices for the hearing impaired.

Neighboring agency resources.

The territory contained within the Capital Area Mutual Aid Region, including but not limited to streets, major landmarks, apartment complexes, major business locations, and buildings.

Skill in:

Communicating with persons in a panicked and crisis situation.

Making decisions and prioritizing responses.

Monitoring multiple radio frequencies, agencies, and apparatus.

Translating incomplete and fragmented radio transmissions into concise and accurate messages.

Operating office equipment and typing.

Dealing effectively with a variety of people, including during an extreme emergency.

Mental and/or Physical Ability to:

Read and understand written directions, text, and numbers.

Learn proper dispatch procedures, including analyzing incoming information to determine the level of resources required and the ability to prioritize calls.

Learn to operate radio, telephone, and related equipment.

Perform multiple tasks concurrently.

Maintain a calm, measured demeanor during periods of extreme stress.

Assimilate information and respond quickly.

Handle a wide variety and large volume of emergency calls.

Establish effective professional working relationships with other Communications Operators, Supervisors, Police Officers, the general public, ambulance company representatives, wrecker company representatives, fire service and EMS personnel, and members of other public safety agencies.

Hear, understand, and orally communicate detailed information accurately and completely.

Speak clearly and distinctly.

Remain calm in stressful situation and deal courteously, professionally, and firmly with callers who may be hysterical in order to obtain critical information.

Sit for prolonged periods or time. Employees are occasionally required to walk, stand, and/or move objects of up to 10 pounds.

See and read a computer screen and a variety of written materials, all of which require close vision abilities.

Employees must be able to reach and extend hands in any direction as well as handle, hold, grasp, turn, or otherwise work with hands.

Working Conditions:

Duties are performed in an office environment. Noise ranges from quiet to very loud.
